

Her name is Georgia Anderson. Besides being a beautiful woman featured in the May 2009 Playboy Magazine and looking amazing in the pictorial: Women of Wall Street, Georgia has become a successful series 3 broker in Futures and Forex and just published her first financial book, where she shows us new ways that reveal the enormous potential of investing in Futures and Forex markets.

She has been considered one of the most attractive women on Wall Street; standing nude in a broker's operation office, she shows off her power in both the financial industry and the sensual world of Playboy's models. Georgia symbolizes the American Dream in these difficult times: Her incredible femininity and sensuality gives us hope. Her expertise in Futures and Forex tells us that we can recover from hardship and reach our financial goals.

Georgia obtained a law degree in her country, Italy, and now resides in California, Los Angeles where she works as a broker in Futures and Forex. She recently published her first book: Technical Analysis For Daytrading of Futures and Forex, which exposes valuable trading tips to traders that other brokers don't reveal. Is there a sexy way to invest and make money? Yes, Georgia Anderson's way! Her incredible glamour and investing expertise make an irresistible combination.

This book by Georgia Anderson opens the secrets of trading in Futures and Foreign Exchange in a simple, easy to understand language for those who are new to the field.
