LOS ANGELES, Feb. 16, 2011 - Georgia Anderson's Financial News Network, www.gafnn.co , a product

of Georgia Anderson, Inc., announced Georgia Anderson as a special guest at The Alternative Investment Forum, Bari, Italy March 3

. .

and March 4

th

2011

"After establishing our partnership with MetaStock, a product of Thomson Reuters in January 2011, we decided to move in the direction of Europe. We are very proud about expanding our presence in Europe based on our belief that the essence of our company is international", said Georgia Anderson, President and Founder of GAFNN.com. "This website is a worldwide community of experienced professional traders and novice investors working together to navigate today's volatile global financial matters."

Launched on a vision of shared passion and enthusiasm for trading, GAFNN is headquartered in Los Angeles, California.
